

NIKHIL SUTAR

Java Developer

[+919730263241](tel:+919730263241) | nikhilsutarIN@gmail.com | [LinkedIn](#) | [Portfolio](#)

Career Objectives

- Java Developer with hands-on experience developing and deploying scalable applications using Java and Spring Boot. Proficient in Java, RESTful architecture, web technologies, relational databases, and version control
- Seeking to leverage knowledge of Java and Spring Boot to build efficient, production-ready backend systems

Projects

ZedAxis - E-Commerce Web Application - [Code](#) - [Demo](#)

Tech Stack: Java, Spring Boot, Thymeleaf, HTML, CSS, Bootstrap, MySQL

- Developed a full-stack e-commerce application enabling users to browse, purchase, and download digital products
- Implemented shopping cart functionality supporting multiple product selections
- Designed admin dashboard for managing users, orders, and product listings
- Integrated mock payment processing and MySQL database for order management

Task Management Web Application - [Code](#) - [Demo](#)

Tech Stack: Java, Spring Boot, Thymeleaf, HTML, CSS, MySQL

- Built a task management system with user registration and authentication
- Implemented CRUD operations for tasks including creation, completion, and deletion
- Organized task workflows and application logic for smooth user experience

User Management System API - [Code](#) - [Swagger UI](#)

Tech Stack: Java, Spring Boot, MySQL, JWT

- Developed a secure RESTful API with JWT-based authentication
- Implemented role-based access control (RBAC) for protected endpoints
- Added input validation, global exception handling, and token-based authorization
- Tested APIs using Postman and documented endpoints using Swagger UI

Technical Skills

- **Languages:** Java, SQL
- **Frameworks:** Spring, Spring MVC, Spring Boot, Bootstrap
- **Databases:** MySQL
- **Web Technologies:** REST APIs, HTML, CSS
- **Tools:** Git, GitHub, Eclipse, IntelliJ IDEA, Postman

Education

Master of Science Information Technology (2022–2024)

N. B. Mehta Science College, Mumbai University

Bachelor of Science Information Technology (2019–2022)

N. B. Mehta Science College, Mumbai University
